***Ms Maya Ranavare, president of the Association of People Affected by Leprosy (India) shared at the Vatican the recommendations***

On 26<sup>th</sup> January 2023, Ms Maya Ranavare, president of the Association of People Affected by Leprosy (India) shared at the Vatican the recommendations put forward by the People's Organizations at the 2nd Global Forum of People's Organizations on Hansen's Disease, which was held last year in India. I particularly appreciated the solutions recommended by the People's Organizations at the ongoing problems experienced by the people they represent and

that Ms Maya Ranavare shared with the participants at the International Symposium on Hansen's Disease and Global Appeal (Vatican) last 24th January, ahead of the World Leprosy Day.

Solutions:

1. All People Organizations should form a committee and Core Committee at the international level
2. In the matter of memorandum submission to Govt authorities on the issues of leprosy, we should take solidarity with the signatures of all representatives of People organizations overall world.
